## Message of the Month - Dr. Sangeeta Agrawal (G.C. Member, NAB Delhi)

**Dear Students, Supporters, and Well-Wishers,**

This month, let us embrace the transformative practice of mindfulness.

Mindfulness is the art of being fully present in each moment. Whether you are walking, sitting, eating, reading, writing, or contributing to NAB Delhi's mission, doing it with full awareness brings purpose and clarity to your actions.

By practicing mindfulness, we not only enhance our ability to perform with excellence but also nurture healthier, more meaningful relationships. It helps us stay grounded, focused, and emotionally balanced—qualities essential for personal growth and collective progress.

To our dear NAB Delhi students, remember: every mindful moment adds strength to your journey. Whether you're learning a new skill, preparing for exams, or facing challenges, mindfulness will help you move forward with clarity and confidence.
